President's Corner

We have heard your cry as regards problems with our gate guards and have moved forward to correct the problem. We have demanded some new protocols and gate entrance requirements and they should be noticeable at once. Some personnel changes will also be forthcoming. In the meantime, please note that, unless you have an electronic means of opening the outside resident gate, with either remote hand held clicker or the new windshield transponder, you will not be allowed to enter through that gate. In that circumstance, you will have to enter through the inner gate and our guards are now instructed to hold you while they walk around the rear of your vehicle and write down your tag and then ask your name and where you are going inside our community. The only exception to this is in those occasions where a vehicle has a Healy Point Club Membership decal affixed to their windshield, and then the decal number and name of driver is collected and written down in our guard log. Again, to avoid this inconvenience, all you have to do is to obtain either of the electronic devices that allow entry through the outer resident gate rather than suffer the inconvenience of the newer inner gate protocols. Also, please do not give our guards any flack about this inner gate delay, as they are being watched for their compliance with this protocol under peril of losing their job.

On a more palatable note, we have seen this year just fly by, from Old Man Winter, thru a beautiful and wet Spring, and now deeply into a very **HOT** Summer. It will not be long until we see the leaves change and move on into the Fall of the year. Where does the time go? The grass and yards on the Boulevard are as beautiful as ever and I appreciate all of the effort all of our property owners make in keeping up this fresh look for our community. If you have not done so recently, take a drive through the side streets of Rive North and you will see just as much effort in those yards as well.

Keep up the good work and know that all of your Board members appreciate each and every one of you. Feel free to drop in to visit with us at any of our monthly meetings. It is always good to see you at our meetings and hear your input.

Bob Malone,

Joint Board President

WELCOME NEW RESIDENTS

River Pointe

RIVER NORTH COMMUNITIES COMMITTEE NEWS

Covenant Enforcement Committee: We are making great stride to make the homes in the community compliant with the covenants. Our thanks goes out to the residents fo their input and advice.

A few reminders:

- Parking on the street or grass is **not allowed** in River North
- Campers, trailers, broken down cars are not to be seen from the street
- Grass must be consistently cut
- All residents are required to maintain their property to the street; tree limbs, bushes, etc. must be removed and hauled off by the resident

Hope all have a nice summer. Please feel free to contact me regarding any information, opinions, or concerns. I can be reached at my email address: alwatts142@yahoo.com. I will be glad to assist you in any way.

Beautification Committee: The curb appeal of homes and the infrastructure of River North is improving everyday. We should be proud of the overall appearance of River North, but we are not done yet. Reminder, we are still selecting the yard of the month to the deserving homeowner.

Yard of the Month for June: 130 Wimbledon Place

Yard of the Month for July: 118 Horseshoe Bend Court

Thank you again for your cooperation. If you would like more information on this committee, please email me at alwatts142@yahoo.com. I will be glad to assist you and would love to hear from you.
